ROCKY

COLLEGE

Printed 1982

Good day!! I hope I haven't startled you. My name is C. F. GHASTLY. I am the Ghost of Losekamp Hall. I'm rather shy so most of you folks have probably never seen me; however, I've been living in this castle since it's been built. I suppose some of you folks are wondering what a ghost would be doing writing this. Well, let me tell you!

I've always been somewhat of a prim and proper fanatic so once I started my spring cleaning, I realized the halls of my friends and relatives might also need some sorting. That is how I came upon the material for this yearbook. Evidently my cousin Kenney had failed to replace that rat poison and mothballs in his closet. When I literally stumbled upon the box, it looked like it had been someone's dinner! Searching through the contents, I found contact photo sheets but no negatives. Since very few of the photos were available, I guess I'll just have to do the best with what I've got. Most of the faces are familiar since they have wandered through my halls, but placing the proper names to them may prove interesting. Please forgive me if I have goofed. I'm fairly new at this sort of thing. With that in mind, I'll carry on.

— C. F. GHASTLY
